# Introducing the Fleet Lounge Seating Collection

Elevate your living spaces with the timeless allure of the Fleet Lounge Seating Collection. Crafted with meticulous attention to detail by visionary designer Bruce Kenneth, this collection seamlessly blends the nostalgia of Mid-Century Modern aesthetic with contemporary elegance.

Bruce Kenneth

# Design Inspiration

Bruce Kenneth drew inspiration from the iconic Mid-Century Modern furniture and architecture, infusing the Fleet collection with a distinctive charm. The careful juxtaposition of smooth, organic curves and unconventional edges creates a design that is both captivating and refined, offering a nod to the sophistication of a bygone era while remaining undeniably contemporary.

# The Fleet Chair

Step into comfort with the Fleet chair, a masterfully crafted piece that transcends mere seating. Choose from a selection of frame options including Beech, Ash, or American Black Walnut, each imparting its unique character to the design. Sink into the plush cushions and experience the perfect balance between support and relaxation. The chair's traditionally crafted all-wood frame, seamlessly blending with its legs, not only enhances its aesthetic appeal but also ensures durability and stability. Further, select from a range of upholstery options to tailor the Fleet chair to your personal style.

# The Fleet Ottoman

Designed as the perfect companion to the Fleet chair, the Fleet ottoman continues the collection's theme of harmonious design. Its smooth, organic curves provide an ideal spot for resting your feet after a long day. The ottoman's versatility extends beyond being a mere footrest; it can also serve as additional seating or even a standalone statement piece. Customise your ottoman to match or contrast with your chair, choosing from a palette of frame finishes and upholstery options.

# Complete the set: Fleet Coffee Table

Beech

Ash

American Black Walnut

To tie the entire collection together, consider adding the Fleet Coffee Table. This matching piece not only complements the design language of the chair and ottoman but also serves as a functional centerpiece for any breakout space. Select from Beech, Ash and American Black Walnut according to your preference. The table's sleek lines and carefully chosen materials make it a perfect addition to the Fleet family, providing a stylish surface for your favourite books, beverages, or décor items.

# Tailored to Your Taste

The Fleet Lounge Seating Collection is not just furniture, it's an expression of your unique style. Personalise your chair, ottoman and coffee table with a range of frame finishes and upholstery options. Our customisation choices ensure that your Fleet pieces seamlessly integrate into your existing décor or become the focal point of a carefully curated space.

Please confirm with your KI Account Manager for the most up-to-date fabric options, including additional fabric brands.

# Timeless Elegance, Lasting Comfort

Invest in more than just furniture; invest in an experience. With the Fleet Lounge Seating Collection, you bring the timeless elegance of Mid-Century Modern design into your home, accompanied by lasting comfort and unparalleled craftsmanship.

# Additional Information

## KI (UK) Ltd Rights & Warranties

**Manufacturing Fault Guarantee:** Enjoy peace of mind with a 10-year warranty against manufacturing faults. In the rare event of damage resulting from abuse, we offer repair service at a charge, accompanied by a detailed quote.

**High Wear Parts Warranty:** Certain components, such as fabrics, covering materials and foam are covered by a 1-year warranty.

For detailed information, please visit our website: [kieurope.com/customer-service/legal-privacy/warranties](https://kieurope.com/customer-service/legal-privacy/warranties)

## Certifications & Standards

**Indoor Advantage Gold™ – Furniture:** All Fleet products have been independently assessed by SCS Global Services and certifies for low volatile organic compound (VOC) emissions. This certification aligns with ANSI/BIRMA m7.1, X7.1 and CA01350. It contributes to LEED low emitting materials credits and WELL Credit 04 for VOC reduction.

## User Weight Loading

Fleet Lounge Chair weight limit: 160kg

## Design Resources

For image libraries, certificates, CAD/Revit models and more resources, please visit [kieurope.com/fleet](https://kieurope.com/fleet)

## Care & Maintenance Instructions

Preserve the appearance and finish of your Fleet Chair with these care instructions:

The timber frame is coated in Morrells anti-microbial Medicote® clear AC lacquer; can be easily maintained by wiping it with a damp cloth for spills. It also accepts any proprietary furniture polish.

## Materials Information

**Frame Options:** Choose from solid Beech, Ash and American Black Walnut. Stained finishes are available upon request.

**Construction:** The inner frame comprises CNC machined 18mm thick hardwood plywood, glued with water-based PVA and screwed. The outer frame is constructed using solid timber with traditional mortise and tenon joints, glued with water-based, fully cross-linked PVA.

**Seat Suspension:** Woven elasticated webbing provides reliable seat suspension.

**Foam Fillings:** Combustion Modified foams comply with ignition sources 0, 1 and 5 (cigarette, match and Crib5) when used with compliant fabrics, such as those specified as standard in the Fleet range (pg. 11-12). The foams are securely glued to the ply frame construction with a 2-part water-based adhesive.
