The Most Trust- ed Name In Edu- cation

Postura+ is durable, low maintenance, and comfortable and designed for education environments. Created in Australia in the 1990s, it quickly gained popularity in the UK and has since been locally manufactured to meet growing demand and European standards.

The Postura+ collection helps create high performing learning spaces that support students' full potential with its versatile and specialist seating products. Its ergonomic design enhances concentration and comfort, making it excellent value for money by reducing procurement, repair and installation costs. Postura+ is backed by several certifications and a 20 year warranty and is used by millions of students worldwide.

The All-round Performer

Furniture is crucial in creating optimal learning spaces. Classrooms that once catered to one teaching style are now evolving into problem-solving and collaborative environments.

The learning space must be flexible to adapt to the needs of teachers and students.

Postura+ is the ideal solution for any budget and space, providing comfort, durability and practicality. Its ergonomic design enhances concentration and wellbeing, while its high-quality materials make it durable and easy to move. Plus, it's 100% recyclable and suitable for occasional outdoor use.

Lead- ing the Way to A Sus- tainable Future

"Our customers across the UK and Europe want to reduce their environmental impact without compromising quality or incurring unrealistic costs. Postura+ is a fantastic step in the right direction and we're confident our customers will be enthusiastic about this great achievement."

Alison Mallett,
Director of Education Furniture

High Back
Stool

One
Piece
Stools

The Postura+ range has expanded to include One Piece Stools. With the same ergonomics and durability as our chairs, these low and high back stools are built for practical learning environments where comfort and safety is priority.

- Made from glass filled polypropylene and a minimum of 30% recycled polypropylene
- One piece injection-moulded meaning no loose parts
- Slim, sled base design
- Non-marking built in glides, suitable for non-slip floors
- Anti-static, stain resistant and easy to clean
- Wide foot rail for comfort and accessibility
- Stackable up to 6 high
- 20 colour options
- 20-year warranty
- Available in 3 heights

High Back One Piece Stool

Featuring a curved backrest for better lumbar support and superior flexibility to maximise comfort, built-in window providing better ventilation and large footrest for long seated periods.

Certifications:

- BS EN 1729 certified
- 3 heights available

Low Back One Piece Stool

A backless stool option with a large footrest for long seated periods.

Certifications:

- BS EN 1729 certified
- 3 heights available

Colour Collection

Customisation is available, subject to minimum order quantities and additional surcharges.

To ensure accurate colour matching, we require Pantone or RAL references. Custom polypropylene colours require a minimum order quantity of 300 units per size and colour.

Care & Maintenance Instructions

Maintaining the appearance and finish of your product is best achieved through proper care and cautious use.

Polypropylene shells:

For regular cleaning of Shells use a soft cloth with mild soap or detergent and lukewarm water. Avoid solvents, citrus/orange-based cleaners or heavy-duty kitchen cleaners. Stubborn spots like chewing gum can be removed using cigarette lighter fluid. Wipe dry immediately. To restore lustre to smooth surfaces and perform light cleaning, a general non-abrasive all-purpose cleaner is recommended. Its anti-static properties help repel dust and dirt. High-quality wax can be used to restore radiance and provide protective coating.

Packaging & Shipping

Wooden pallets: reusable and recyclable.

Shrink wrap: recyclable & made from 30% recycled material - 100% recyclable.

Banding: recyclable.
